# This Seminar

## ABOUT THIS SEMINAR

This essentials seminar is designed to provide both novice & experienced Anaesthesia & Recovery Room nurses with greater insight into their clinical practice.

Although the seminar is tailored to provide information relevant to patients undergoing anaesthesia, or in the post anaesthetic phase, and as such will be directly applicable to those nurses working in theatre areas, it will also be of value to any nurse who desires to know more about the procedures that their patients are about to undergo or have undergone whilst in the operating room.

This program is based on popular seminars previously developed by Ken Hambrecht and Paula Foran (Touzeau). Among many other things, Ken and Paula are both continuing to conduct their successful Anaesthesia and Post Anaesthesia Care Nursing Seminar which presents new topics each year.

**SEMINAR FEE:** \$395 Both Days (incl. GST).  
\$250 Single Day (incl. GST).

This includes, lecture outlines with reference lists, lunch, refreshments, & certificate of attendance.

Confirmation of registration & receipts will be forwarded by mail if received 10 days prior to seminar. Cancellation fee of \$55 (inc GST) applies. No refund will be given if cancellation occurs within one week of seminar.
